Thanks so much for all
the kindness & thoughtfulness
that you all have shown us.
You truly have made a difference
in our lives. Donna loves all
of you. Honestly, I think that is
why she kept coming back.

It's sometimes
easy to forget
that there are nice people
out there doing nice things
for others.

Thanks for being
such a special reminder.

Thanks Again!
Donna & Wade Wilson

Once again, thank you.

Sincerely,

Dear Dr. Rangini & lovely
nurses,

I would like to thank
you for providing excellent
care for my foot wound
and later my amputation.

Tonya, Ruth Ann, Susie,
Ann and all the others
who patiently cared for me
are very much appreciated

It was gratifying to
know that all of you
wanted to help me heal as
much as I wanted that
healing to take place.

Thank you so much!

I will never forget the wonderful care you all gave me in these past

4 months.

Every time you see a motorized toddler jeep, think of me. ha ha!

* ODE TO THE WOUND CENTER *

- Losing my "boobs" was bad enough, but "SMOKING" CAUSE MY INJECTION TO BURST,
- So, OFF TO THE WOUND CENTER I WAS SENT AND UNDER THE CARE OF DR. RANZINI, WHO VENTS. (JUST MENTION NEOSPORIN)
- THE NURSES THERE WERE HEAVEN SENT, CHANGING MY DRESSINGS WHEN I WENT,
- RISA DID A "JUGGLING ACT" TRYING TO KEEP THE PATIENTS ON TRACK.
- NOW THAT I'M HEALED (AND WHAT A THRILL) I'D LIKE TO SAY "THANK YOU" FOR REAL
- So, there's nothing left for me to do, but when I get the bill, I'll probably turn "blue",!
- HAVE CAKE, BE MERRY AND PLEASE STAY SAFE!!

Love you all,
Sue Callier

P.S. RANZINI IN ITALIAN IS PRONOUNCED "ZOO KEY KNEE"-
(YOU CAN LOOK IT UP.)

"An apple a day
keeps Dr. Ranzini away."

To all the staff of the
wound clinic in
gratitude for your
compassionate care

You guys are at the top of my

I've been with you a little over

In a world

may we find in each of our days
little ways to slow the pace
and enjoy simple, quiet moments

Hello All,

I wanted to reach out with a thank you to each of you during this week of recognition of our specialty in our profession. Your dedication to our patients, our community, and to our team is unmatched and very appreciated! So many do not even realize what we do here in the clinic. When they see it and see our outcomes their response is usually "WOW", "unbelievable ", and of course "I don't see how you can do this everyday."

In our environment our motto of YCMTSU rings true on the daily and somehow we always more than get by and usually with flying colors. I again want to thank you all for all that you do everyday and that each of you are very appreciated.

Best,
Tonya

Reason for Recognition: Teamwork

To: Tina Pitzer

On Team Member Appreciation Day, I want to take a moment to recognize your dedication and hard work throughout the past year! It's hard to believe everything that we've been through together. During this time, we have embraced our spirit of determination in order to care for our community in unprecedented ways. I will always be grateful to the contributions of each and every team member in our Augusta Health family!

Our friends and neighbors know they can rely on us. I know I can rely on you. And you know you can rely on me. Together, we've got this!
