Description/Details of Activity:

For Nurse's week, I volunteered to help with the "Reflections Kickoff" that was held in the Mannix Conference Room due to weather. Tonya had asked me to come early to assist with set up. When others arrived, one other person and I went to each unit with a luminary bag and online instructions to attend the event.

It was a touching ceremony to see all the luminaries lit in the conference room for each of the local lives lost due to the Covid-19 pandemic.
