One small word

that says so much.

Dr. Reingrims,

Thank you for the care you  
and the nurse took trying to  
deal Jim's wounds. You all did  
a great job. I may not  
remember all the names now,  
but I do remember a one - Surgeon  
Aune, Torg, Morgan (or Angsted), Thore.  
I don't mean to injure the others,  
just can't remember.

Margaret Sanfield

Thanks so much for all  
the kindness & thoughtfulness  
that you all have shown us.  
You truly have made a difference  
in our lives. Donna loves all  
of you. Honestly, I think that is  
why she kept coming back.

It's sometimes  
easy to forget  
that there are nice people  
out there doing nice things  
for others.

Thanks for being  
such a special reminder.

Thanks Again!  
Donna & Wade Wilman

Dear Mr. Koenig & family,  
 I would like to thank  
 you for providing excellent  
 care for my foot wound  
 and later my amputation.  
 Tonya, Ruth Ann, Brian,  
 Ann and all the staff  
 who patiently care for me  
 are very much appreciated.  
 It was gratifying to  
 know that all of you  
 wanted to keep me here as  
 much as I wanted that  
 feeling to take place.

Sincerely,  
 Russ H. Johnson
