To whom it may concern,

Tonya Meadows Frazier volunteered 3 (three) days as a nurse for Camp LIGHT 's summer camp program in 2021. Camp LIGHT is a summer camp for kids ages 6-17 with medical and physical conditions and other special needs, including at risk youth. Tonya assisted during camp on July 7, 15, and 29 where she interacted with children with a variety of disabilities and behavioral disorders. Tonya did an excellent job helping us fulfill our mission to show kids with special needs and circumstances that life is only limited by their imagination, and to give them new tools and skills, along with love and support, to inspire them to become anything they can dream.

Sincerely
