Reason for Recognition: Teamwork

To: Heather Staton

Heather is always there to help out whenever needed but especially as charge nurse. Always there to lend a hand or give a second opinion or simply pull someone up in bed. Tonight, she helped me with my admission when my PCT was busy and we got my patient settled quickly and efficiently together :) Thanks for always helping out and know you are appreciated!

Reason for Recognition: Teamwork

To: Heather Staton

On Team Member Appreciation Day, I want to take a moment to recognize your dedication and hard work throughout the past year! It's hard to believe everything that we've been through together. During this time, we have embraced our spirit of determination in order to care for our community in unprecedented ways. I will always be grateful to the contributions of each and every team member in our Augusta Health family!

Our friends and neighbors know they can rely on us. I know I can rely on you. And you know you can rely on me. Together, we've got this!
