Transformational Leadership

Description/Details of Activity: Professional Nursing Organization Membership

AORN—I joined the Association of Operating Room Nurses in 2015. I was able to attend AORN’s Surgical Conference and Expo in 2016. Membership with this organization provides me with up-to-date news and information regarding my practice.

NAON—I joined the National Association of Orthopedic Nurses in 2020 in order to better serve in my role as Head of Service for Orthopedic Surgery.

Dates of Meetings/Involvement: *Current; see membership cards below*

Transformational Leadership

Description/Details of Activity: Precepting

In my role as Orthopedics Head of Service, it is my responsibility to orient employees to the Orthopedic Surgical Service. This includes an overview of key equipment such as the Arthrex arthroscopic tower and Hana table; descriptions of our most common surgical procedures (total joints, arthroscopies); orientation to the location of ortho-specific equipment and supplies around the OR; and introductions to the orthopedic surgeons and vendor representatives. Attached is a list of employees I have oriented/precepted this year and the dates spent with each orientee.

I also had the opportunity to precept a Blue Ridge Community College Capstone student. She shadowed 124 hours between Dec. 21-Feb. 3.
